this book explores the lessons learned from half a century of caribbean cruise tourism one of the most popular and profitable sectors of the tourism industry the modern day cruise industry dates from the 1960s when the

three major cruise lines carnival royal caribbean and norwegian set up shop in florida and began selling winter cruises to the caribbean targeting american retirees for geopolitical reasons the us initially excluded cruises to cuba this changed in 2016 following the historic obama castro agreement to move towards diplomatic trade and travel normalization cuba quickly became the caribbean s fastest growing cruise destination this book considers the limited economic benefits of cruise tourism its environmental and social impacts and the effects of climate change and overtourism based on this analysis and case studies of key caribbean and mediterranean destinations this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to caribbean countries it will be valuable to professionals businesses development agencies ngos and academics interested in a sustainable cruise industry and the economic well being of caribbean island nations

shortlisted for the edward stanford travel writing awardsin this fascinating travelogue the product of almost a decade of travel and intense study joshua jelly schapiro strips away the fantasy and myth to expose the real islands and the real people that make up the caribbean

the entire history and culture of caribbean island people and immigration of caribbean islands people the commonwealth caribbean islands have a distinctive history permanently influenced by the experiences of colonialism and slavery the caribbean has produced a collection of societies that are markedly different in population composition from those in any other region of the world lying on the sparsely settled periphery of an irregularly populated continent the region was discovered by christopher columbus in 1492 thereafter it became the springboard for the european invasion and domination of the americas a transformation that historian d w meinig has aptly described as the radical reshaping of america

in the late 1940s patrick leigh fermor now widely regarded as one of the twentieth century s greatest travel writers set out to explore the then relatively little visited islands of the caribbean rather than a comprehensive political or historical study of the region the traveller s tree leigh fermor s first book gives us his own vivid idiosyncratic impressions of guadeloupe martinique dominica barbados trinidad and haiti among other islands here we watch leigh fermor walk the dusty roads of the countryside and the broad avenues of former colonial capitals equally at home among the peasant and the elite the laborer and the artist he listens to steel drum bands delights in the congo dancing that closes out havana s carnival and observes vodou and rastafarian rites all with the generous curiosity and easy erudition that readers will recognize from his subsequent classic accounts a time of gifts and between the woods and the water

caribbean cooking is enticing exotic and above all experimental it is based on the treasures of the rich tropical soil and the fruits of the tropical sea the 120 recipes contained in this book embrace the cooking traditions and specialities of the mixture of cultures that makes up the west indian people indexes are provided to both caribbean and english names as well as a glossary of foods which may be unfamiliar

cruise operations management provides a comprehensive and contextualised overview of hospitality services for the cruise industry as well as providing a background to the cruise industry it also looks deeper into the management issues providing a practical guide for both students and professionals alike a user friendly and practical guide it discusses issues such as the history and image of cruising how to design a cruise and itinerary planning roles and responsibilities on a cruise ship customer service systems and passenger profiles managing food and drink operations onboard health safety and security cruise operations management presents a range of

contextualised facts illustrated by a number of case studies that encourage the reader to examine the often complex circumstances that surround problems or events associated to cruise operations the case studies are contemporary and are constructed from first hand research with a number of international cruise companies providing a real world insight into this industry each case study is followed by questions that are intended to illuminate issues and stimulate discussion the structure of the book is designed so the reader can either build knowledge cumulatively for an in depth knowledge of managerial practices and procedures onboard a cruise ship or they can dip in and make use of specific material and case studies for use within a more generic hospitality or tourism learning context

this is the first comprehensive illustrated guide to the natural world of the caribbean islands it contains 600 vivid color images featuring 451 species of plants birds mammals fish seashells and much more while the guide primarily looks at the most conspicuous and widespread species among the islands it also includes rarely seen creatures such as the rhinoceros iguana and cuban solenodon giving readers a special sense of the region s diverse wildlife

this book brings together a high calibre team of international researchers to provide an up to date assessment of the scope of tourism and the nature of tourism development in the caribbean past present and future
