in the summer of 1864 the american civil war had been dragging on for over three years with no end in sight things had not gone well for the union and the public blamed the president for the stalemate against the confederacy and for the appalling numbers of killed and wounded lincoln was thoroughly convinced that without a favorable change in the trajectory of the war he would have no chance of winning a second term against former union general george b mcclellan whom he had previously dismissed as commander of the army of the potomac this vivid engrossing account of a critical year in american history examines the events of 1864 when the course of american history might have taken a radically different direction it's no exaggeration to say that if mcclellan had won the election everything would have been different mcclellan and the democrats planned to end the war immediately grant the south its independence and let the confederacy keep its slaves what were the crucial factors that in the end swung public sentiment in favor of lincoln johnson focuses on the battlefield campaigns of generals ulysses s grant and william tecumseh sherman while grant was waging a war of attrition with superior manpower against the quick and elusive rebel forces under general robert e lee sherman was fighting a protracted battle in georgia against confederate general joseph e johnston but then the president of the confederacy jefferson davis made a tactical error that would change the whole course of the war this lively narrative full of intriguing historical facts brings to life an important series of episodes in our nation's history history and civil war buffs will not want to put down this real life page turner

ever since the custer massacres on june 25 1876 the question has been asked what happened what really happened at the battle of the little bighorn we know some of the answers because half of george armstrong custer's seventh cavalry

the men with major marcus reno and captain frederick benteen survived the fight but what of the half that did not the troopers civilians scouts and journalist who were with custer now because a grass fire in august 1983 cleared the terrain of brush and grass and made possible thorough archaeological examinations of the battlefield in 1984 and 1985 we have many answers to important questions on the basis of the archaeological evidence presented in this book we know more about what kinds of weapons were used against the cavalry we know exactly where many of the men fought how they died and what happened to their bodies at the time of or after death we know how the troopers were deployed what kind of clothing they wore what kind of equipment they had how they fought through the techniques of historical archaeology and forensic anthropology the remains and grave of one of custer s scouts mitch boyer have been identified and through geomorphology and the process of elimination we know with almost 100 percent certainty where the twenty eight missing men who supposedly were buried en masse in deep ravine will be found
